

Better Logistics, Better Business

BlueGrace Overview

BlueGrace Logistics offers customizable transportation management solutions as a full-service Third-Party Logistics (3PL) provider that helps shippers manage their freight spend through industry leading technology with a large network of established carriers across the country. With 9 offices strategically located in major transportation hubs across the U.S., including national headquarters in Tampa, BlueGrace serves over 10,000 customers annually through its proprietary technology platform, BlueShip®, that has connectivity with more than 250,000 carrier suppliers. BlueGrace is part of the technology portfolio of Warburg Pincus, a leading global private equity firm. For more information on BlueGrace, visit www.mybluegrace.com.
